

# THIS WOMAN COULDN'T GET A QUALITY DATE WITHOUT THE INTERNET?

*"Oozing with class and effervescent like Champagne bubbles, she's naturally media-genic."* Mark Victor Hansen, Co-author Chicken Soup for the Soul and One Minute Millionaire.

Like Stephany, your listeners have difficulty finding a date. Millions are curiously flocking to the internet. They're tired of the bar scene, don't want to mix business with pleasure or and won't do blind dates.

In just over a year, Stephany was introduced to over 17,000 men on the internet, learned the e-dating Secrets (the hard way) and became an international e-dating Expert.

Stephany Crowley, founder of e-dating *Experts.com* author of e-dating *Secrets – How to Surf for Your Perfect Love Match on the Internet*, is a guest that comes loaded with expertise researched from thousands of online dating sites and stories.

*"I can count on her for entertaining anecdotes and original ideas. No one knows more about the online dating industry. She delivers lovely, lively and credible advice for my radio and TV call-ins."* Sue McGarvie, host of *Sex with Sue* Radio, "Unzipped" TV Series and "The Love and Romance" Show.

**e-datingExperts.com** is not a dating site, but the first independent complete resource for online dating tips, advice and personalized coaching. Over 60 million people world wide are actively (and secretly) surfing the net for their one in a million.
